

PCA Digital Athletic Forms for 26-27
Due by: May 31, 2026

Parents and Guardians,

For the 2026-27 school year we are requiring all Athletic Forms to be completed digitally. We are transitioning to **DragonFly Max** for all athletics documentation at Pataula Charter Academy (*Detailed directions for DragonFly Max are attached*).

We would like for parents to go ahead and complete digital athletic forms for the upcoming school year no later than May 31, 2026. This set of forms will cover all of the 26-27 school year.

All required paperwork must be completed digitally online before any student can participate in any summer practices, camps, weight training, conditioning, or tryouts/practices for the 2026-27 school year. No exceptions!

Make sure you choose 2026-27 and not 2025-26!

Parent Guide to DragonFly Max

For 2026–2027 Sports Participation

We are transitioning to **DragonFly Max** for all athletics documentation at Pataula Charter Academy this year. **All required paperwork must be completed digitally online before any student can participate in any summer practices, camps, weight training, conditioning, or tryouts/practices for the 2026-27 school year. No Exceptions!! We are encouraging all athletes' parents to go ahead and complete the paperwork before the last day of school. This set of forms will cover all of the 26-27 school year.**

Forms only need to be completed **once per school year**, even if your child participates in multiple sports. Some coaches may have additional sport-specific forms, which they will provide **after team selections** are made. As far as school eligibility and GHSA compliance go, **one set of forms covers the entire year.**

All DragonFly forms must be completed before a student is allowed to participate/tryout for any sport or summer activity. A physical must be completed and submitted (physical copy) to the Athletics Office before any student can participate/try out for a sport.

No mobile phone app: All forms must be completed in a web browser (like Chrome or Safari) on your phone, tablet, or computer. Visit:
www.dragonflymax.com

*On the DragonFly website and other information found online, there are mentions of a DragonFly mobile app. Previously, DragonFly Max offered a mobile app for students and parents. However, it is no longer functional and has been removed from the app store. On the app store, there are two DragonFly app available (one for coaches and one for officials), but these are not for parent or student use. A new DragonFly Max app for parents and students is expected to launch sometime in the near future. We will notify families when it becomes available. Until then, **all forms must be completed in a web browser (like Chrome or Safari) on your phone, tablet, or computer. Visit:***
