STUDENT DISCIPLINE

General Expectations

The board of education recognizes that students do not surrender any rights of citizenship while in attendance at Stillwater Public Schools. The school is a community with rules and regulations. Those who enjoy the rights and privileges it provides must also accept the responsibilities that inclusion demands, including respect for and obedience to school rules.

The district believes that every instance of wrongdoing and conflict is an opportunity for learning. The district supports the concept that discipline for violation of a school policy, rule, or regulation should not detract from the learning experience for the student when possible. Before the student is removed from school or the classroom for violation of a school policy, rule, or regulation, alternative discipline such as loss of privileges, closed campus, loss of computer access, loss of parking privileges, after-school detention, and Saturday school may be used. However, the use of out-of-school and/or in-school placement options may be used even for a student's first offense or violation. Corporal punishment may not be administered as a method to correct student behavior or to maintain order and discipline in the school.

Discipline Code

Standards of behavior for all members of society are generally a matter of common sense. The following examples identify behavior that is unacceptable in society generally and in a school environment particularly. These examples are not intended to be exhaustive, and the exclusion or omission of a particular unacceptable behavior is not an endorsement or acceptance of such behavior. When in the judgment of a teacher or administrator a student is involved in unacceptable behavior, appropriate remedial or corrective action will be taken.

The following behaviors at school, while on school vehicles, or going to or from, or attending school events will result in disciplinary action, which may include in-school placement options or out-of-school suspension:
