Holly Creek School encourages your participation, cooperation, and support in the important job of educating the children of this community.

We encourage you to become a part of the P.T.O. and volunteer your expertise as we work to make this year a success. We look forward to celebrating with you the achievements of our students.

Equal Education Opportunity

Holly Creek School in compliance with Title VI of the Civil Rights Act of 1964 and Title IX of the Educational Amendments of 1972 does not discriminate on the basis of race, color, national origin, sex, qualified handicap or disability in any of its policies, practices or procedures. This provision includes, but is not limited to admissions and educational services.

School Hours are from 8:00 a.m. until 3:00 p.m. each day. Children should NOT arrive earlier than 7:30 a.m. or remain on campus later than 3:10 p.m. unless participating in a supervised activity. **Teachers are not on duty before 7:30 a.m. or after 3:10 p.m.** These procedures are designed for the safety of your children. **Classes do NOT end until 3:00 p.m. Students need to be in class until the end of their regular classes.** Please do not pick your child up early unless it is an emergency. Students miss valuable instruction by leaving early. Also, the entire class is disrupted when the office has to call for a student to leave early. **Make-up work may be picked up at 3:30 p.m.**

Procedures for Enrollment: A student folder will be established and maintained on every student.

Basic Requirements for student enrollment:

1. Copy of birth certificate
2. Copy of social security card
3. Immunization record
4. Copy of transfer request (if applicable treatment/medication form)
5. Proof of address

A registration packet for enrolling:

1. Personal data sheet
2. Copy of bus regulations
3. Lunch application form
4. Permission for emergency

Withdrawing Students: Parents must request the withdrawal form from the office which teachers, librarian, etc. must fill-out. Records may be withheld until students have cleared lunches, library and textbooks, and/or made restitution for damages/losses. (Oklahoma School Statute Section 272)

Health Requirements Immunizations: "No Shots, No School." All students entering for the first time are required to have proof of immunization against Diphtheria, Tetanus, Pertussis (DTP or DtaP), Polio (OPV/IPV), Measles, Mumps, Rubella (MMR), Varicella (Var), Haemophilus Influenza (Hib), Hepatitis B (Hep B), and Hepatitis A (Hep A).

Dispensing/Providing Medication to the students by school staff is prohibited by state law if no **written** authorization is filed in the office. Students needing occasional medications, such as penicillin, etc., for colds, earaches, and sore throats, are to take these medications at home, if possible. Medication that is prescribed three (3) times a day can be given before the student comes to school, after school, and again at bedtime. However, if prescription medication **MUST** be given at school, it must be personally delivered by the parent/guardian to the office in the original container listing the student's name, strength of medication, dosage and directions for administration, name of doctor, date prescribed, and name of pharmacy. Written authorization must accompany the medication stating the purpose of use, time to be administered, and termination date for administering.

Head Lice is unfortunate, but quite common for public school students. Periodic head checks will be made and students found to have live bugs or untreated nits will be sent home. Students may return when proof of treatment has been shown on a medical treatment form by a qualified health care professional.

Breakfast and Lunch Programs are provided and all students are encouraged to participate. Breakfast begins with the arrival of the first bus. **Note: Breakfast will not be served after 8:00 a.m. Please make other arrangements for your child's breakfast if arriving late to school.** Free and reduced-priced meals are provided for students whose family income is within specific guidelines. Application forms will be provided for students whose family income is within specific guidelines. Application forms will be provided at the beginning of the year and anytime during the year as family income varies.

Lunch prices will be announced at the beginning of each year. Records of your child's meals are kept and parents are billed monthly. Payments are due by the 15th day of each month. **Your prompt payment when you receive your statement will enable us to continue to offer this service.** Non-payment may result in loss of meal service, withheld report card, or refusal of re-enrollment the following school term for your child. Reasonable accommodations for special dietary needs will be met, provided a supporting needs statement, signed by a doctor, is on file in the school office and with the food service manager.

Attire and Grooming Regulations are set so as to cause little disruption of the education process. School administrators and teachers encourage all students to dress in a fashion that reflects good judgment and style appropriate for a school day. Students may have their parents contacted if their attire includes the following: 1. Clothing or articles excessively soiled, torn, ragged, or shows disrespect toward the American Flag. 2. Clothing implying, portraying, or advertising alcohol, tobacco, drugs, vulgarity, sex, gambling, gangs, illegal activities, etc.

3. Clothing that is excessively revealing, tight/loose, or see-through: mini-skirts, short-shorts, tank tops, spaghetti straps, halter tops, mesh shirts, midriff-baring tops, sagging pants, etc. (Must have over or

undershirt covering revealing attire.)

4. Hats/caps or shoes with cleats when inside school buildings.

5. Body piercing jewelry that disrupts the learning process of any student.

6. Hair color/style that disrupts the learning process of any student.

7. No pajamas may be worn to school.

8. Any other apparel/grooming that the administration determines to be unacceptable based on community standards.

Perfect Attendance awards are presented to students who are neither absent nor tardy (includes being tardy between classes) during the year. Absences for school functions, including fair participation and animal show participation, are allowed.

Excused Absences are still absences. Students are missing vital information when they are absent for any reason. Please limit ALL absences to those absolutely necessary. At least 80% attendance rate is required for credit. Parents must contact the school about absences (Title 70-10-106, Section 232) before 10:00 a.m. the day a student is absent, to verify the reason for the absence. Excused absences are school related functions. Doctors notes will be placed in students file. Doctors notes MUST be original signatures. **It is the responsibility of the student or the student's parent or guardian to ask teachers for any work missed due to absence.** Students shall have at least as many days as they were absent plus one (1) more day to make up work. (Teachers may elect to grant more time at their discretion.) Failure to make up work within the allotted time will result in a grade of "0/F" for each missed assignment/test. **Students with unexcused absences will be expected to turn in assignments on original due date or earn a "0/F". If students miss more than 10 days in a semester, it will be the recommendation of Holly Creek School that the student will not pass that semester.**

According to Oklahoma Law, students "must be in attendance two of the first three hours of the school day to be recorded present for one-half day. (Section 210:10-1-5) Likewise, a student must be in attendance two of the final three hours to be recorded present for one-half day". Consequently, students arriving after 9:00 a.m. and leaving before 1:00 p.m. are absent one-half day.

Tardiness: Students are tardy after 8:00 A.M. Tardiness, except in unusual and unavoidable circumstances, is improper in both business and social affairs. It distracts the teacher, other students, and causes time lost from the class. Continual tardiness is a habit and reflects upon a person's character. It also trains your child to be late for work as an adult. **Students who enter the classroom more than five (5) minutes after the bell has rung after the previous class, except first period, are considered tardy. Three (3) tardies count as one (1) absence and will be recorded as such in the attendance register.** If tardies continue to be a problem additional disciplinary consequences may result. If a student has repeated or unjustified tardies, a letter may be sent to inform the parents and the truancy officer of the situation.

Truancy laws are in place to help your student develop good work habits. It is very important that parents understand the laws about school attendance at school. Parents can be fined if they allow their children to remain absent from school without a valid excuse. **Oklahoma law makes the parent responsible for a child's attendance at school.** Parents can be fined up to \$100.00 for every day that their child is truant from school. (Title 70-10-105)

"If a child is absent without valid excuse four (4) or more days or parts of days within a four-week period or is absent without valid excuse for ten (10) or more days or parts of days within a semester, the attendance officer shall notify the parent and immediately report such absences to the district attorney for juvenile proceedings pursuant to Title 10 of the Oklahoma Statutes. (70-10-106, Section 232)" This law applies to any child between the ages of five and eighteen.

Grading Systems are put in place as a means of communicating to parents the skill mastery of daily class work, tests, and homework, according to the effort that has been put forth by each student. Just as an employee earns a paycheck, **each student earns his/her grade.** The grading scale is as follows:

A = 90-100 (Excellent)

B = 80-89 (Good)

C = 70-79 (Satisfactory)

D = 60-69 (Needs Improvement)

F = 59 and below (Unsatisfactory)

Progress Reports/Report Cards are a means of communication to parents in scheduled, written report form. The reports will show your child's efforts in academic performance, citizenship skills, work habits, and attendance/tardiness. If you have questions concerning a report, please make an appointment to visit with your child's teacher during his/her conference period so time is not taken from teaching duties. Progress reports shall be sent at each mid nine-week period. Report cards are sent at the end of each nine-week period.

Academic Honor Rolls include (1st -6th grades) Superintendent's Honor Roll – ALL "A's" and the Teacher's Honor Roll – ALL "A/B". The 7th – 8th grade honor roll will be figured by Grade Point Average (GPA) to be able to recognize the honors math (Algebra I), which is a 5-point class. Superintendent's is 4 – 4+ points; Teacher's is 3 – 3.99 points. Students earn the honor at each 9-weeks and semester. Students' names shall be printed in the local newspapers after each grading period.

Eligibility rules are set by the OSSAA for all Oklahoma schools. Students receiving one (1) "F" in any academic subject shall be placed on probation for one week. There is not a second week of probation. If grade still not passing, student will be declared ineligible to participate in the following week's extracurricular activities (Competitive Athletics, Band, Vocal Music, Cheerleading, Academic Team, etc.). Students who are absent on the day of an event for any reason other than doctor or dental appointments or a funeral may not participate in a scheduled event for that day. Grades will be checked the first day of each week at 8:00 a.m. to determine eligibility for the following week. Students failing a subject for the semester will be ineligible for three (3) weeks beginning the second semester.

Valedictorian/Salutatorian/Historian is based on grades received in the core subjects of Reading, Math, Social Studies, Science, and Language Arts.

Valedictorian: Graduating 8th grade student with the highest grade point average (GPA) cumulative over the previous seven semesters (from fifth grade through eighth grade first semester)

Salutatorian: Graduating 8th grade student with the second highest cumulative average.

Historian: Graduating 8th grade student with the third highest cumulative average.

Any qualified student who has moved into the Holly Creek School District after the beginning of their seventh grade school year shall be eligible for honors equal to other Holly Creek students.

Discipline Policy and Student-Earned Consequences are set forth as follows: The Board of Education believes that the school's primary goal is to educate, not discipline. To discipline is to train or develop self-control. Punishment is the penalty one pays for not having discipline. *Parents, we get the child you have trained.* When you do not train your child to be disciplined, his/her education becomes very difficult. Oklahoma Law, Title 70, Section 6-114, provides teachers as the same rights as parents to control and discipline school children within local school policies.

When it is necessary to impose discipline, teachers and administrators will follow a progressive discipline process. The degree of disciplinary actions imposed will be in proportion to the severity of the behavior of a student and will take into account the student's discipline history, the age of the student, and other relevant factors.

Each student (and his/her parent/guardian) enrolling at Holly Creek School must be willing to accept the concepts of personal dignity and responsibility through a commitment to scholarly effort, courteous behavior, and respect for others.

Students may be suspended from school when all reasonable options have been exhausted. The student shall be given oral or written notice of the charge before suspension. If charges are denied, an explanation of evidence and opportunity to present his/her case will be given. Suspended students shall have the right to appeal to the board of education. After investigation, the board shall determine the guilt/innocence of student and reasonableness of the term of suspension. The decision of the board is final. Students posing a continuing danger may be removed from school immediately. Written notice and a hearing shall soon follow. Students suspended shall be allowed to complete assignments for a grade in either a home-based setting, supervised by parent/guardian, or other appropriate setting with educational monitor as prescribed by school administration. XML provides a flexible way to create common information formats and share both the format and the data on the World Wide Web, intranets, and elsewhere. A glossary of terms is included in the appendix.

Drug-Free School policies are in place for the safety and well being of students and staff. 1. Alcohol/drug use and abuse education is provided to all students, Pre-Kindergarten through eighth grade.
2. Disciplinary sanctions are in place to address unlawful possession, use, sale, distribution, or being under the influence of alcohol, illicit drugs, inhalants, or look-alike drugs in school buildings, on school property, at school-sponsored events, and/or school buses. These disciplinary sanctions also apply to drug abuse paraphernalia and/or chemicals to prepare, mix, cut, or alter drugs.

Any student found to have stolen articles, contraband, alcoholic beverages, or controlled dangerous substances in his/her possession shall be subject to disciplinary action and his/her parents shall be notified of such action. However, if such acts of students are contrary to criminal law, then the student will be referred to the parents and proper law officials.

Procedures to Inspect Education Records are as follows: The parent of a student or an eligible student may inspect the student's education records upon request. In some circumstances, it may be mutually more convenient for the record custodian to provide copies of records.

Since a student's records may be maintained in several locations, the school administrator will offer to collect copies of records or the records themselves, so they may be inspected at one site. However, if a parent or eligible student wishes to inspect records where they are maintained, school administrators will make every effort to accommodate their wishes.

The parent or eligible student should submit to the student's school administrator a written request which identifies, as precisely as possible, the record or records he or she wishes to inspect.

The administrator (or other record custodian) will make the needed arrangements as promptly as possible and notify the parent or eligible student of the time and place where the records may be inspected. This procedure must be completed in 45 days or less from the receipt of the request for access.

If, for any valid reason, such as working hours, distance between record location sites, or health, a parent or eligible student cannot personally inspect and review a student's educational record, the school district will arrange for the parent or eligible student to obtain copies of the record.

Directory Information will disclose student information without prior written consent unless notified within 10 days after the beginning of school. It shall contain the following personally identifiable information from a student's education record:

Complaints If a parent/guardian has a question, they should first contact the staff member involved. If no solution can be reached, the office of the Administrator should be contacted. (If satisfactory results are still not achieved, the complaint may be forwarded to the board). The decision of the board is final.
