For the purposes of this policy, corporal punishment is the use of physical force as a method of correcting student behavior. No person employed by or volunteering on behalf of the Hamilton R-II School District shall administer corporal punishment or cause corporal punishment to be administered upon a student attending district schools.

A staff member may, however, use reasonable physical force against a student for the protection of the student or other persons or to protect property. Restraint of students in accordance with the district's policy on student seclusion and restraint is not a violation of this policy.

The staff member will submit a written report to the principal explaining the reasons and/or circumstances for use of physical force against a student, including the details of its application. The principal will provide a copy of the report to the superintendent.
