AFTER SCHOOL PROGRAM

Pilot Grove Elementary and Preschool will offer after school care for students in grades Preschool to 3rd Grade until 5:30 M-F. After school care will not be provided on early out days when school is not in session. There will be a fee of $40 per student or $60 per family a week to attend the program. The program will offer an afternoon snack, homework assistance, and students will participate in and physical play and recreation. If you are interested in enrolling your child in the Pilot Grove C-4 After School program you may contact the elementary office. An additional handbook will be issued and families will submit an acknowledgement of expectations.

ARRIVAL

In the best interest of your child, please plan for him/her to arrive before 7:55am. If students are eating breakfast at school it is advised they are here by 7:40. Students being dropped off or driving will enter through the Commons doors. All students riding the bus will be dropped off at the North doors. Elementary students should report to their grade level classrooms if they are not eating breakfast. If the student chooses to have breakfast, they will report to the Commons Area for breakfast then return to their classroom following breakfast. Breakfast will be served at 7:45 am. Morning Message begins at 8:00am. **It is ideal that students arrive prior to 8:00am so they are included in the Morning Message for the day. A student is considered tardy if s/he arrives after 8:00 am as classes begin at 8:00.** Staffed supervision will begin at 7:30 am. **Students should NOT arrive before 7:30 a.m. because supervision is not available.** If students are dropped off or arriver prior to 7:30, parents will be contacted and reminded of the drop off and supervision procedures.

ATTENDANCE

A child's success in school depends on regular attendance. Regular attendance is an important school habit. An integral part of the learning experience is the interaction between students and teachers. Students who are absent from school are not able to participate in class discussions, small group activities or class experiments. It is not possible to make up activities of this nature. Therefore, regular attendance is an important component of the educational process. If a child must be absent for any reason, call the office by 8:30 am on the morning of the absence/tardy. If you haven't phoned to report tour child's absence by then, a good faith phone call will be made by the Principal or Secretary to check on your child. To contact the office: Pilot Grove Elementary 834-4115 option 4. E-mail is a great way to contact school staff. Teachers can respond quickly to parent questions.

ATTIRE

Good taste necessitates that children should be appropriately dressed and carefully groomed at all times. We encourage parents to take an active part in the selection of school clothes and grooming. The staff will continue to help monitor student dress and grooming. Items of apparel that make a child feel uncomfortable or conspicuous should be avoided. Please dress your child appropriately for play outside during cold weather. Please label all clothing with child's name or initials to avoid lost items. The wearing of hats and other headgear in school is inappropriate upon entering the building. Students are asked to place sunglasses, hats, and other headgear in their backpacks while in the building.

BAND

5th and 6th grade students have the exciting opportunity to begin their musical journey in band. Each 5th grade student will go through a try-me-out process and try all the instruments. Each student will then have the opportunity to select their instrument if they wish to join band and a family instrument night will be held. During the school year, the band will perform at various locations and venues. Due to the performance and practice schedules required for the success of the band, students may not drop in the middle of a semester. All

5th and 6th Grade students interested in band may begin band but will not be able to drop band until the start of 2nd Semester (January). If a student decides they want to drop band at semester, they **must have a letter written and signed by a parent/guardian.**

BICYCLES

Students riding bicycles to school should obey required safety and traffic rules. Bicycles should be walked while on school property, parked at the bicycle rack, and left alone during the school day. The privilege of riding a bicycle to school may be withdrawn from the student for failure to observe these regulations.

BIRTHDAY PARTIES

Parents frequently ask permission to send invitations home for birthday parties through the school. We are happy to cooperate when an invitation is extended to every member of the class. Birthdays are a special day and should be celebrated! If a child is bringing birthday treats, the treats MUST be store bought and prepackaged. Please contact the classroom teacher in advance, so that s/he may include that activity in the schedule.

CLASSROOM TEACHER COMMUNICATION

Rooms is an online class management system used in elementary classrooms and school-wide Rooms is a tool that is used for parent communication. There will be posts showing child interaction in the classroom and reminders for upcoming events. Information on Rooms and app information will be sent home in the beginning for the school year. This is a great way to stay in touch!

COMMUNICATIONS WITH SCHOOL

It is vitally important to keep the lines of communication open between the school and home environment. Classroom teachers communicate with parents through Friday Folders, Daily Folders, Rooms, classroom newsletters, Tigers' Roar newsletters, phone calls, emails, and various notes/flyers. Parents are asked to monitor all written communication home on a daily basis in order to keep updated on various happenings in the classroom. Parents are also encouraged to communicate with school personnel through written notes, email, and phone calls. To receive Tiger Alerts as well as the push notifications parents are encouraged to sign up for Pilot Grove C-4 App. Check out the Pilot Grove C-4 webpage for more information on downloading the app from your app store

COMPUTER USAGE AGREEMENT

Pilot Grove C-4 School district is a one-to-one school district with electronics**.** It is important for students to have access to electronic-based research tools and master skills for their application to learning, problem solving, and production of work and presentation of information. While these resources represent extraordinary learning opportunities and enriching educational materials, they also offer persons will illegal, immoral or inappropriate motives avenues for reaching students, teachers, staff, parents/guardians and members of the community. Additionally, these resources present tempting opportunities for users to explore areas that are confidential, have restricted access, are inappropriate and are disruptive to the classroom or workplace. Students and parents will be asked to sign a Computer Usage Agreement which outlines acceptable student behavior with respect to use of district technology and electronic resources.

DISCIPLINE

All classrooms of the elementary building use a discipline program. Our focus is being respectful, responsible and safe. Expectations for the hallway, cafeteria, playground, classroom, bus and assemblies have been created. The student expectations matrix is included at the end of this handbook. We find our most

successful efforts to be those in which parents, teachers, and students are working together to solve a problem. Teachers encourage students to talk through their issue by identifying the problem and possible safe solutions. A think sheet and time in a safe area may be utilized to give a student time to think about their action. If necessary, the principal will be notified of the issue and parents may be notified at that time. Other discipline is at the administrations discretion.
**Elementary Behavior Expectations and District discipline policy is included at the end of this handbook.

DRUG-FREE SCHOOL

Pilot Grove Elementary is a drug free school. The use of illicit drugs and unlawful possession and use of tobacco/tobacco products or alcohol is prohibited. The use of such is harmful and wrong, and is not permitted on school grounds.

CELL PHONES, SMART WATCHES, and AUDIO VISUAL DEVICES (PED)

Students are Not Permitted to utilize cell phones upon entry until 3:15 pm per State and Pilot Grove C-4 statutes. Proper conduct and consequences are outlined in the Technology Usage Agreement. Students caught using such devices during this time will have their phones confiscated, with consequences to follow.

- FIRST OFFENSE - The PED will be confiscated and turned into the office. Parents will be notified and students may pick up the phone at the end of the day. Documentation will be provided on "Technology Use Misconduct". The offenses moving forward will be reviewed with the student by the administration.
- SECOND OFFENSE - The device will be confiscated and turned into the office. Parents will be notified and required to pick up the phone. In addition, the student will serve a detention of 1 day ISS on the following day. The student must phone check in for the remainder of the semester.
- THIRD OFFENSE - The device will be confiscated and turned into the office. Parents will be notified and required to pick up the phone. A conference with a parent, the student and the administration will be held. In addition, the student will serve 3 days ISS. Students must phone check in for the remainder of the year.
- FOURTH/SUBSEQUENT OFFENSE - The device will be confiscated and turned into the office. Parents will be notified and required to pick up the phone including another meeting with administration. Additional consequences could also be added, but not limited to loss of hallway privileges, parking, daily phone check in at the office, ISS, OSS and extracurricular activities or opportunities.

regarding OSS.

FIELD TRIPS

Field trips outside the regular school day can often enhance the educational experience of all students. Field trips are designed to be educational in nature and also serve as a time for students to celebrate accomplishments with their classmates. Parents are welcome to attend on field trips where chaperones are needed; however we ask that only one parent attend per child due to our large groups. Please keep in mind that this is a celebration and learning experience for the student and his/her classmates. Please make other arrangements for siblings if attending a field trip with your child. Parents may be asked to send a lunch or a sack lunch may be purchased in advance through the school cafeteria. ***(Please sign field trip permission at the end of the handbook)

FUNDRAISERS

At various times throughout the year, students may be asked to participate in a school-wide fundraiser. Money raised through these fundraisers help to cover costs of certain events that all students participate in such

as field trips, field day, celebrations, etc. Participation in fundraisers is optional; however, all students are encouraged to participate as best they can since all students will benefit from the funds.

HEALTH SCREENING

The Pilot Grove C-4 School District will conduct screening exams in the areas of speech/language, dental, hearing, and vision for the following grades:

- Vision- K, 2 ,5, 7, 11
- Hearing- audiometry K, 1, 2, 3, 7
- Growth- height/weight K-6
- Dental- K, 1, 2, 3, 4

The nurse will conduct screenings during the school year with a goal to complete prior to the end of the third quarter. If a concern is detected in any area screened, the student's parent/guardian will be notified. Notification to the building principal will be required if you wish for your child to not participate in the screening.

HOMEWORK

Homework will be sent home if the work is not completed during the allotted class time. If there becomes an issue with incomplete assignments and homework arrangements will be made with families for the child to complete their work afterschool We do ask that you take time each evening and encourage your child to read at home. Studying for exams is something we encourage students to do at home as well. Teachers share enrichment opportunities on their websites or classroom newsletters that will extend learning opportunities at home. We encourage all students to read each day/evening as reading helps develop the whole child in all academic areas. These are not mandatory rather optional work to reinforce the learning at home UNLESS it is work that has not been completed during class time. Teachers will also be available for tutoring if needed to extend learning and get additional assistance in any areas of concern or needed growth. Please reach out to your child's teacher if you are interested in tutoring.

IMMUNIZATION POLICY

According to state law, a student must be up-to-date on immunizations. Students who do not furnish up-to-date immunization records will be excluded from school. If your child is medically exempt, your child's healthcare provider will need to provide a medical or immunization exempt form which can be obtained from your child's school health office. If your child is religiously exempt from immunizations parents/guardians may obtain an exempt form from your child's school health office. Immunization requirements are on the district website (enrollment) or you can obtain them from your child's school health office.

LOST AND FOUND

Please be sure your child's name is clearly marked on such items as boots, coats, sweaters, raincoats, purses, wallets, etc. Many items such as these are lost and go unclaimed each year. If your child should lose an item, please check with the school office.

LUNCH PROGRAM

The purpose of the school lunch program is to provide nutritional, balanced meals to students. Elementary students may buy lunch for $2.60 and breakfast for $1.80. The cost of additional milk is $0.50 (dairy items may increase due to price increases). Kindergarten will have afternoon milk each day. If they prefer, students may bring their lunch and purchase milk through their lunch account. It is important to keep the

lunch balance current, as students will not be allowed to accumulate more than 10 unpaid meal charges. A letter will be sent home when the student's balance falls into the negative.

Free and reduced price meals will be provided to those who make an application and qualify. Qualifying for free or reduced lunch enables the school district to become eligible for monetary assistance from the state and federal governments. It is partially through this program that some of our educational programs are funded, and additional student needs are met academically, as well as nutritionally.

MEDICAL ATTENTION/ILLNESS/INJURY

If a child becomes ill or injured during the school day, the parents will be notified and may be asked to make arrangements to pick up their child from school. For this reason, it is vitally important to list an emergency telephone number with the school office. Information MUST BE KEPT CURRENT. If the parent cannot be reached, the emergency number listed on the student information card will be called. The health and physical well being of all our students is a matter of great concern to us. For the sake of classmates, children should not be sent to school if they are suffering from headache, nausea, or fever. Please do not send your child to school if he/she has vomited, had diarrhea within the last 24 hours, or has had a fever of 100.4 within the last 24 hours with or without medication. A child will need to be symptom free (fever, vomiting, diarrhea or any other contagious illness) without medications for 24 hours before returning to school. Students who vomit at school will be sent home at the discretion of the principal and/or school nurse.

When the parent has no telephone or cannot be reached, a member of the school staff shall transport the ill or injured child home, to the hospital, or to a doctor's office. In case of emergency, the pupil shall be transported to a hospital or a doctor's office by ambulance or other convenient types of transportation. If possible, the family physician listed on the emergency card shall be contacted.

MEDICATIONS

The Pilot Grove C-4 Board of Education assumes no responsibility for medical treatment of students. If a student must take prescribed medication during school hours, it will be given when the following conditions have been met:

1. A current, signed parent/guardian consent form will be on file. This form must be signed at the beginning of each school year.
2. Medication that has been prescribed by a physician will be kept in the original bottle and must display information showing the medication for the child in possession. The medication will be kept in a secure place, convenient for the person designated to administer medication.

In the event a parent/guardian fails to supply the medication, it is lost, or the child exhibits signs of reaction to medication either through dosage, the principal or school nurse will immediately notify the parent/guardian and/or physician. If necessary, emergency medical personnel will also be notified.

MOCAP

Missouri Course Access and Virtual School Program (MOCAP) was established in 2007 as the state's online school. Students can take courses from any Internet-connected computer, available 24-hours a day, seven days a week. If a student wishes to pursue an online classes, he/she will need to contact Dr. Melissa Leverton , District Guidance Counselor, to discuss options mleverton@pilotgrove.k12.mo.us. All students choosing to participate in online courses must do so during the normal enrollment periods which are the first week of each semester in August and January. For more information, please see the Pilot Grove C-4 website.

OUTDOOR RECESSES AND PHYSICAL EDUCATION

Fresh air and exercise are essential to good health. Students will be outside for recess and P.E. unless the temperature drops to 30 degrees, the wind chill index is extremely uncomfortable, or there is inclement weather. Please check the weather conditions in the morning in order for your child to be appropriately equipped to play outside. Students who are inappropriately dressed for the weather may be kept inside, at the discretion of the classroom teacher. If a child has a health problem and needs to stay inside, a doctor's note will be honored. The doctor's note should state the problem and a specific period of time that the student must remain inside. Generally speaking, students who come to school feeling too ill to go outside should remain at home

PARENT CONFERENCES

Regularly scheduled parent teacher conferences are held at the end of the first and third quarter of the school year to supplement student grade reports. All elementary staff are required to meet with each child's parent or guardian during that time. We urge all parents to attend during conference time or to reschedule a time convenient to your schedule. This is one of your best opportunities to take an active part in your child's educational success.

Progress reports will be issued at the end of each quarter. These reports are an attempt to inform the parents of their child's progress in relation to his/her abilities. If a parent has a question regarding their child's progress at any time during the school year, they should feel free to contact the teacher for consultation.

PUPIL PERSONAL INFORMATION

The Pilot Grove C-4 Public School District operates under the procedure of not making student information available unless permission is granted by parents or is provided in Section 438 of the Family Educational Rights and Privacy Act of 1974, as amended by S.J. Resolution 40:20 U.S. Code 1232g. There is certain directory type information, however, that the district may provide the general public. This information includes name, address, telephone listing, grade, date, and place of birth, major field study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, and the most recent previous education agency or institution attended by the student and other similar information. In the event that any parent does not wish the directory information released, they should contact the principal of their child's school immediately.

RETENTION

Teachers monitor progress through ongoing assessments in core areas. An academic data team will be used to plan interventions to remediate below grade level academic performance. If progress is not made with the intervention plan, parents will be contacted if retention is being considered for the struggling student. The building principal will make the final decision regarding retention of students.

SCHOOL BUS

Pupils who qualify for school bus transportation are assigned to a specific bus. It is important that those who are transported realize the same high standards of conduct are expected at the bus stops and on the bus as in all other aspects of school. If a child is not to ride the bus home in the evening, the parent/guardian should notify the school office by written note; otherwise, the child will be put on his/her regular bus to be taken home. Late afternoon phone calls to change regular routes are often confusing to students, as well as the office. Please make sure to discuss any changes in the regular routine with your child prior to the beginning of the school day. Bus students will be cited for the following activities:

- Failure to remain seated
- Destruction of property
- Throwing objects out of bus
- Fighting/pushing/tripping
- Vandalism
- Hanging out of window
- Spitting
- Eating/drinking/littering
- Rude/discourteous/annoying behavior
- Smoking on bus
- Refusing to obey driver
- Bothering others
- Inappropriate use of cell phones/technology
- Profanity
- Lighting matches
- Violation of safety procedures

If your child is reported for any of the above activities, the principal will usually take the following disciplinary action:

1. First Offense: Conference with student. Copy of referral and bus behavior rules mailed to parent.
2. Second Offense: Suspension of 3 school days from bus transportation and conference with parent.
3. Third Offense: Suspension of 5 school days or longer from bus transportation, at the principal's discretion.

All disciplinary actions will be at the principal's discretion.

SCHOOL CANCELLATIONS/EARLY DISMISSAL

The Superintendent shall have the authority to close school because of extreme weather or other emergency conditions for the length of time the emergency exists. The local news media will be notified as soon as the decision is made. Notification will be announced on the following:

KOMU-TV, Channel 8	Columbia
KMIZ, Channel 17	Columbia
KRCG, Channel 13	Columbia
KWRT, Radio	Boonville
KCLR 99.3 FM, Radio	Columbia
KMMO 102.9 FM, Radio	Marshall

A Tiger Text will also be sent out with cancellation/early dismissal notifications.

In the event road or weather conditions become extremely hazardous during the school day, school may be dismissed early. It is important for students and parents to discuss this possibility and make arrangements for alternatives in advance. Please do not call the school unless it is an extreme emergency. Incoming calls tie up the one line when it is necessary for the school to make important calls to help insure the safety of children. **Please check your school calendar for preplanned early dismissal days each month.**

SUPPLIES

School supply lists are posted online. Students are expected to bring school supplies to school. If your child needs assistance in purchasing school supplies or need extra supplies throughout the year, please reach out if assistance is needed. Headphones/ear buds will be available. The district will replace one set of earbuds for the the student for free, however, there will be a $1 charge for ear buds after the free pair is distributed.

SUSPENSIONS

Any child whose conduct continues to be disruptive to the classroom setting after other means of modification have failed, may be suspended by the building principal, who in turn will notify the Superintendent. A pupil who is a danger to him/herself or others, who causes a severe disruption, who interferes with the learning of him/herself or others, or who consistently disregards school regulations may be suspended.

TELEPHONE

Children may be allowed to use the telephone in an emergency situation. Students may be allowed to use the telephone in non-emergency situations at the discretion of the principal. If you are making arrangements for change in transportation, pickup times or afterschool care, please make theses arrangements prior to 2:00 if possible so we can get the message to the child and their teacher in a timely manner. The elementary school number is 660-834-4115 (Option 4). The Superintendent's office number is: 660-834-6915 (Option 1). The high school office number is: 660-834-4415 (Option 2).

TEXTBOOKS AND SUPPLIES

Textbooks and certain supplies are furnished by the Pilot Grove C-4 School District and are distributed by the classroom teacher to all pupils in grades K-6. Should a textbook or library book become lost or damaged, the student to whom the book is checked out will be held responsible and will be charged according to the age of the text. Please stress to your child the importance of respect for school materials and property. Check frequently to see that your child has the appropriate school supplies, such as pencils and paper, to insure a quality learning experience.

THINGS TO LEAVE AT HOME

1. All pets. Animals on the playground or in the classroom are potentially dangerous and/or disruptive to the learning process. Certain exceptions may be made with prior approval of the principal.
2. Knives, sharp objects, toy guns, baseballs, etc. All of these items can be hazardous to other children and should not be brought to school. Many of these objects are a violation of the Safe Schools Act. Check with a building administrator for further clarification.
3. Money in large amounts. Please send only the money a child needs for the day; the risk of lost money is always present.
4. Toys. Unless prearranged with the teacher, toys can often distract and/or interfere with the learning process. There is also a risk of losing or damaging the toy.
5. Electronic Devices. The school will provide any electronic devices necessary for students to use throughout the day. Electronic Devices (including phones) should not be brought to school.

TIGER OF THE WEEK

Each week students will have a character word they are focusing on that week. On Monday, the principal will announce a student from each class to be Tiger of the Week based on their effort in displaying knowledge of the character word. The student selected has been observed to display a variety of positive student qualities, such as: academics, effort, citizenship, most improved, respectful, responsible, kind etc. the previous week. The Tiger of the Week is assigned special duties and privileges as needed. The Tiger of the Week will be announced on Monday mornings and receive a special treat from the principal!

TRANSPORTATION CHANGES

Students will be sent home according to their regular established route. If it becomes necessary to temporarily change their method of transportation or their regular established route, prior written notice must accompany the child to notify school personnel. If prior written notice is not received, the student will be sent home according to their regular established route.

VISITORS

Parents are invited and encouraged to visit their children's classroom during the school day; however, we ask that prior arrangements be made with the classroom teacher. Unexpected visitors can often disrupt the educational setting. Please call the school before your visit to avoid any conflict with special schedules. **All visitors must report to a building office before going to the classrooms.**

If you wish to consult with your child's teacher about your child's progress, please arrange a time compatible with the teacher's planning period, so that minimal disruption of the educational process will occur. Unexpected visits before and after school can often be an inconvenience for parents if the teacher is unavailable.

WALKERS

The fourth, fifth and sixth grade students volunteer to participate in Pilot Grove school safety patrol. Afternoon adult supervision assures safe student dismissal. Walkers are dismissed several minutes early to avoid bus and vehicle traffic. Students receive information the first week of school regarding safety instructions and crosswalk rules. Each parent should plan ahead to make definite arrangements with his/her child so s/he will know what to do if there is inclement weather at dismissal time.

WITHDRAWALS

In case of the withdrawal of a student from school, please notify the office at least one day in advance by note or telephone. Textbooks and library books, along with lunch charges, must be accounted for. The progress report and transfer card must be completed.

Families,
Education is a commitment from multiple parties. We know that when families and schools work together the successes are far more beneficial. Please take time to read over the roles of the student, parents and teachers in the *Title I Student-Parent-Teacher Compact below.*

TITLE I STUDENT-PARENT-TEACHER COMPACT

At Pilot Grove Elementary, we know that learning can take place only when there is a combination of effort, interest, and motivation. Because we are all committed to each student's progress in school, we are going to do our best to promote his/her achievement.

This agreement is a promise to work together. We believe that this agreement can be fulfilled by our team effort. Together we can improve teaching and learning.

As a student I agree to:

Work as hard as I can on my school assignments.

Attend school every day unless I am sick.

Follow school rules.

Ask my teacher questions when I don't understand something.

Respect myself and others.

Practice reading/math skills at home.

As a parent I agree to:

Talk to my child about his/her school activities every day.

Find out how my child is progressing by conferences with the teacher whenever needed.

Encourage good study habits at school and home.

Encourage completion of homework.

Encourage positive behavior.

Promote daily attendance.

Make a special time each day, when possible, to read with/to my child.

As a teacher I agree to:

Provide high quality curriculum and instruction in a supportive and effective learning environment that will enable children to meet the State's student performance standards.

Explain my grading system.

Give feedback to the student about his/her progress.

Find out what techniques and materials work best for the student.

Explain school rules to students and parents

Most importantly, we promise to help each other carry out this agreement.
(Please sign compact agreement form on the acknowledgement sheet)

BULLYING (Board Policy JFCF)

General

In order to promote a safe learning environment for all students, the Pilot Grove C-4 School District prohibits all forms of bullying. The district also prohibits reprisal or retaliation against any person who reports an act of bullying among or against students.

Definitions

Bullying – In accordance with state law, bullying is defined as intimidation, unwanted aggressive behavior, or harassment that is repetitive or is substantially likely to be repeated and causes a reasonable student to fear for his or her physical safety or property; that substantially interferes with the educational performance, opportunities or benefits of any student without exception; or that substantially disrupts the orderly operation of the school. Bullying includes, but is not limited to: physical actions, including violence, gestures, theft, or property damage; oral, written, or electronic communication, including name-calling, put-downs, extortion, or threats; or threats of reprisal or retaliation for reporting such acts.

Cyberbullying – A form of bullying committed by transmission of a communication including, but not limited to, a message, text, sound or image by means of an electronic device including, but not limited to, a telephone, wireless telephone or other wireless communication device, computer or pager. The district has jurisdiction over cyberbullying that uses the district's technology resources or that originates on district property, at a district activity or on district transportation. Even when cyberbullying does not involve district property, activities or technology resources, the district will impose consequences and discipline for those who engage in cyberbullying if there is a sufficient nexus to the educational environment, the behavior materially and substantially disrupts the educational environment, the communication involves a threat as defined by law, or the district is otherwise allowed by law to address the behavior.

School Day – A day on the school calendar when students are required to attend school.

Designated Officials

The principal of each building is hereby designated as the individual to receive and investigate reports of bullying. Each building principal shall designate at least two teachers or administrators in the building who are authorized to receive and investigate reports of bullying in the principal's absence or at the principal's discretion.

The district compliance officer appointed in policy AC will serve as the districtwide antibullying coordinator. The antibullying coordinator will receive all completed investigative reports from all buildings and analyze the reports to identify any information that would inform the district's antidiscrimination and antibullying education and training programs. In addition, the antibullying coordinator will assist in making any relevant reports as required by state and federal law.

Reporting Bullying

School employees, substitutes or volunteers are expected to intervene to prevent student bullying, appropriately discipline the perpetrator, assist the victim and report the incident to the building principal or designee for further investigation and action. Any school employee, substitute or volunteer who witnesses or has firsthand

knowledge of bullying of a student must report the incident to the building principal or designee as soon as possible, but no later than two school days after the incident.

Students who have been subjected to bullying, or who have witnessed or have knowledge of bullying, are encouraged to promptly report such incidents to a school employee. Any school employee receiving such a report shall promptly transmit the report to the building principal or designee.

If the bullying incident involves students from more than one district building, the report should be made to the principal or designee of the building in which the incident took place or, if more appropriate, to the principal or designee of the building attended by the majority of the participants in the incident.

Investigation

Within two school days of receiving a report of bullying, the principal or designee will initiate an investigation of the incident. Reports that involve students from multiple buildings will be investigated cooperatively by the principals of each building involved, or those principals may request that the district's compliance officer designated in policy AC conduct the investigation. If at any time during the investigation the principal determines that the bullying involves illegal discrimination, harassment or retaliation as described in policy AC, the principal will report the incident to the compliance officer designated in that policy, who will assist in the investigation. If the alleged bullying involves a special education student or a student with disabilities, the principal will also notify the special education director.

The investigation shall be completed within ten school days of the date the report of bullying was received unless good cause exists to extend the investigation. Upon completion of the investigation, the principal will decide whether bullying or harassment occurred and, if so, whether additional discipline is warranted in accordance with the district's student discipline code. The principal will generate a written report of the investigation and findings and send a copy of the completed report to the district's antibullying coordinator. The principal or designee will document the report in the files of the victim and the alleged or actual perpetrator of bullying. All reports will be kept confidential in accordance with state and federal law.

If the incident involved allegations of illegal discrimination or harassment, the principal's decision may be appealed in accordance with policy AC. Student discipline may be appealed when allowed by law in accordance with Board policy.

The principal or other appropriate district staff will work with victims and their families to access resources and services to help them deal with any negative effects that resulted from the incident.

Consequences

Students who participate in bullying or who retaliate against anyone who reports bullying will be disciplined in accordance with the district's discipline code. Such discipline may include detention, in-school suspension, out-of-school suspension, expulsion, removal from participation in activities, exclusion from honors and awards, and other consequences deemed appropriate by the principal or superintendent. The district will also contact law enforcement when required by law or notify social media companies of inappropriate online activity when appropriate.

Even in situations where the district does not have jurisdiction to discipline a student for bullying, such as when the acts take place off campus and there is an insufficient nexus to the district, the principal or designee will take appropriate actions to assist student victims. Such actions may include, but are not limited to, contacting the parents/guardians of the victim and the alleged perpetrators, communicating that this behavior is not allowed on district grounds or at district activities, notifying the appropriate district staff to assist the victim, and taking

additional action when appropriate, such as notifying law enforcement or social media companies of inappropriate online activity.

District employees and substitutes who violate this policy will be disciplined or terminated. Discipline may include suspension with or without pay, a negative evaluation, prohibition from being on district property or at district activities, mandated training or other appropriate remedial action. Volunteers who violate this policy will no longer be permitted to volunteer.

Policy Publication

The district shall annually notify students, parents/guardians, district employees, substitutes and volunteers about this policy and the district's prohibition against bullying. A copy of this policy shall be included in student handbooks and posted on the district's website.

Training and Education

The district's antibullying coordinator will provide information and appropriate training designed to assist employees, substitutes and volunteers who have significant contact with students in identifying, preventing and responding to incidents of bullying.

The district will provide education and information about bullying and this policy to students every year. The principal of each school, in consultation with school counselors and other appropriate school employees, will determine the best methods for facilitating the discussion. Methods may include, but are not limited to: assemblies; homeroom presentations; class meetings; team or club meetings; special presentations by counselors, social workers or mental health professionals; and open-house events. When practical, parents/guardians will be invited to attend.

In addition to educating students about the content of this policy, the district will inform students of:

1. The procedure for reporting bullying.

2. The harmful effects of bullying.

3. Any initiatives the school or district has created to address bullying, including student peer-to-peer initiatives.

4. The consequences for those who participate in bullying or engage in reprisal or retaliation against those who report bullying.

School counselors, social workers, mental health professionals, school psychologists or other appropriate district staff will educate students who are victims of bullying about how to overcome the negative effects of bullying including, but not limited to:

1. Cultivating the student's self-worth and self-esteem.

2. Teaching the student to defend him- or herself assertively and effectively without violence.

3. Helping the student develop social skills.

4. Encouraging the student to develop an internal locus of control.

Additional School Programs and Resources

The Board directs the Superintendent or designee to implement programs and other initiatives to address bullying, respond to such conduct in a manner that does not stigmatize the victim, and make resources or referrals available to victims of bullying. Such initiatives may include educating parents/guardians and families on bullying prevention and resources.

Every Student Succeeds Act of 2015

Our district is required to inform you of information that you, according to the Every Student Succeeds Act of 2015 (Public Law 114-95), have the right to know. Upon your request, our district is required to provide to you in a timely manner, the following information:

• Whether your student's teacher has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction.

• Whether your student's teacher is teaching under emergency or other provisional status through which State qualification or licensing criteria have been waived.

• Whether your student's teacher is teaching in the field of discipline of the certification of the teacher.

• Whether your child is provided services by paraprofessionals and, if so, their qualifications.

In addition to the information that parents may request, a building receiving Title I.A funds must provide to each individual parent:

• Information on the level of achievement and academic growth of your student, if applicable and available, on each of the State academic assessments required under Title I.A.

•Information regarding any State or LEA policy regarding student participation in any assessment required under ESEA section 111(b)(2) and by State or LEA, including a policy, procedure, or parental right to opt the child out of such assessment, where applicable.

• Timely notice that your student has been assigned or has been taught for four or more consecutive weeks by a teacher who has not met applicable State certification or licensure requirements at the grade level and subject area in which the teacher has been assigned.

If you have questions, please contact your Federal Programs Supervisor, at https://dese.mo.gov/quality-schools/federal-programs/staff-contacts.

District Wellness Plan

Pilot Grove C-4 School District is committed to the optimal development of every student. The District believes that for students to have the opportunity to achieve personal, academic, developmental and social success, we need to create positive, safe and health-promoting learning environments at every level, in every setting, throughout the school year. The District's wellness plan outlines the District's approach to ensuring environments and opportunities for all students to practice healthy eating and physical activity behaviors throughout the school day while minimizing commercial distractions. Specifically, this policy establishes goals and procedures to encourage and ensure student wellness. The policy applies to all students, staff in the District. Specific measureable goals and outcomes are identified within each section of the plan. The District's wellness plan also develops and maintains a plan for implementation to manage and coordinate the execution of this wellness policy. At least once every three years, the District will evaluate compliance with the wellness policy to assess the implementation of the policy and publicize the results on the District's website. Complete information regarding the District's wellness policy can be found on the District's website at https://www.pilotgrove.k12.mo.us. Questions or concerns about the District's wellness plan should be directed to School Nurse, Gina Twenter at gtwenter@pilotgrove.k12.mo.us

PUPIL PERSONAL INFORMATION

The Pilot Grove C-4 School District operates under the procedure of not making personally identifiable student information available unless permission is granted by parents, or as is provided in the Family Educational Rights and Privacy Act of 1974 (FERPA), 20 U.S. Code 1232g. There is certain directory information, however, that the district may provide the public. This information includes a student's name; date and place of birth; parents' names; grade level; enrollment status (e.g., full-time, or part-time); participation in district-sponsored or district-recognized activities and sports; weight and height of members of athletic teams; athletic performance data; dates of attendance; degrees, honors and awards received; artwork or course work displayed by the district; schools or school districts previously attended; and photographs, videotapes, digital images, and recorded sound unless such records would be considered harmful or an invasion of privacy.

In addition to general directory information, the following information the district maintains about a personally identifiable student may be disclosed to: parent groups or booster clubs that are recognized by the Board and are created solely to work with the district, its staff, students, and parents and to raise funds for district activities; parents of other students enrolled in the same school as the student whose information is released; students enrolled in the same school as the student whose information is released; governmental entities including, but not limited to, law enforcement, the juvenile office and the Children's Division (CD) of the Department of Social Services: The student's address, telephone number and e-mail address and the parents' addresses, telephone numbers and e-mail addresses.

For an explanation of "directory information" and "limited directory information" see Board Policy JO. If any parents do not wish for this directory information to be released for currently enrolled students at Pilot Grove C-4 School, they have until the first Friday in September, to provide notice in writing to the Building Principal, 107 School Street, Pilot Grove, MO, 65276 or access and update the FERPA Notice form in the Common Goal/Teacher Ease online Registration to submit your request to opt-out.

STUDENT RECORDS (POLICY JO)

A cumulative record is maintained for every student in the Pilot Grove C-4 School District. This record includes family data, school achievement data, attendance data, immunization records, and test data. Legal guardians have the right to inspect and review all official records directly related to their children. Schools shall provide a school employee to interpret the information within the folder to parents. Procedures for the release of information on student records shall be in accordance with the provisions of the Family Education Rights and Privacy Act (FERPA). Notification of Rights under FERPA for Elementary and Secondary Schools FERPA affords parents and students who are 18 years of age or older ("eligible students") certain rights with respect to the student's education records. These rights are:

1. The right to inspect and review the student's education records within 45 days after the day that Pilot Grove C-4 School receives a request for access. a. Parents or eligible students who wish to inspect their child's or their education records should submit to the school principal a written request that identifies the records they wish to inspect. The school official will decide on access and notify the parent or eligible student of the time and place where the records may be inspected.

2. The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.

a. Parents or eligible students who wish to ask Pilot Grove C-4 to amend their child's or their education record should write the school principal [or appropriate school official], clearly identify the part of the record they want to be changed, and specify why it should be changed. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

3. The right to provide written consent before the school discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

a. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. The criteria for determining who constitutes a school official and what constitutes a legitimate educational interest must be outlined in the school's or school district's annual notification for FERPA rights. A school official typically includes a person employed by the school or school district as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the school board. A school official also may include a volunteer, contractor, or consultant who, while not employed by the school,

i. performs an institutional service or function for which the school would otherwise use its employees;

ii. has been determined to meet the criteria set forth in the school's or district's annual notification of FERPA rights for being a school official with a legitimate educational interest in the education records;

iii. is under the direct control of the agency or institution with respect to the use and maintenance of education records;

iv. uses education records only for authorized purposes and may not re-disclose PII from education records to other parties unless the provider has specific authorization from the school or district to do so and it is otherwise permitted by FERPA. (See 34 CFR § 99.31(a)(1)(i)); and the school or district is responsible for its protection. PII from education records disclosed under FERPA's school official exception to consent may only be used for the purposes authorized by the respective school or district. In the relationship between the provider and the school or district, providers should remember that the school or district may require transparency about how student data obtained or collected under a contract or agreement are used, plans for data security and confidentiality of PII, and evidence that the school or district retains direct control with respect to the use and maintenance of PII at all times;

v. is under the direct control of the school concerning the use and maintenance of PII from education records, such as an attorney, auditor, medical consultant, or therapist; a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another school official in performing his or her tasks. A school official typically has a legitimate educational interest if the official needs to review an education record to fulfill his or her professional responsibility.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by Pilot Grove C-4 School to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Family Policy Compliance

Office U.S. Department of Education

400 Maryland Avenue,

SW Washington, DC 20202

It is the responsibility of the legal guardian to inform the school when changes occur with respect to legal custody of a student. Generally, in written policies of the Board of Education the term "parents" shall be understood to include those who have legal custody of a child. However, for purposes of FERPA, "parent" includes a natural parent, guardian, or an individual acting as a parent in the absence of a parent or a guardian. Therefore, noncustodial parents have access to student records in the same manner a custodial parent does unless the district receives a copy of a court order restricting those rights.

A student's records are maintained under his/her legal name until official court documentation of a name change is received by the school.
