October 7, 2025

Dear Central Public School Families,

We're excited to share that we've adopted a new communication platform called **ParentSquare** to help us keep you better informed and more connected with your school community. **ParentSquare** will take the place of SchoolMessenger, Class Dojo, Remind, Group Meet, and any other method of communication between Central Public School, teachers, staff, parents and students.

All school, grade-level, classroom, athletic, and other co/extra-curricular communications will now come solely through ParentSquare. *Ex. Football, Basketball, Band, Cheer, AG, etc.* Students cell phone numbers will be used to contact students'. ***Due to state law, because students will be contacted, we must have at least one parent/guardian signed up for each student. The parent/guardian contact will receive the same notifications the students receive, via ParentSquare.***

With ParentSquare, you'll receive all school and classroom messages in one place, and translated into your preferred language, whether by email, text, app, or web. You'll also be able to: *Stay up to date on news and events, send and receive messages with teachers and staff, fill out forms and permission slips, sign up for conferences and volunteer opportunities, view calendar items and photos.*

We encourage you to download the free mobile app now. It is available for iOS and Android. You can also access ParentSquare from your web browser at www.parentsquare.com. Instructions for this are attached.

We will be sending out a test message soon. If the message mentions "opting out", **please do not opt out**.

If you need assistance, or if you think we may not have your most current phone number and email addresses in our system, please contact either the Elementary or High School office.

We will have a meeting during Parent/Teacher Conference on October 9, 2025 at 6:30 pm in the cafeteria to discuss ParentSquare, answer questions and assist with installing the app. We encourage you attend.

There will also be an option for non-parents (grandparents, community members) to opt in to be able to receive district notifications like they have in the past with SchoolMessenger.

We plan on transitioning to ParentSquare on October 8th with full implementation by October 21st.

Thank you for your help with matter.

David Eads, Superintendent & Nancy Miller, Teacher/ParentSquare Coordinator
