# CORPORAL PUNISHMENT

It is the policy of the Mounds Board of Education to administer corporal punishment only as a last resort after other reasonable corrective measures have been used without success. However, under no circumstances shall any child in DHS custody be administered corporal punishment.

At the beginning of the school year, parents and legal guardians will be provided the opportunity to request the nonadministration of corporal punishment to their children. (See also Form FOB-E1.) If a request for the nonadministration of corporal punishment has not been signed, the administration shall notify a parent or legal guardian that corporal punishment is being planned. At that time, the parent or legal guardian may request that corporal punishment not be administered.

Corporal punishment must be administered only in the presence of another professional, certificated staff member, preferably an administrator. Careful documentation of each occasion shall be made by the teacher or the administrator or both. Such documentation will identify the student and set forth the behavior necessitating the punishment; the person who administered the punishment; and the name of witnesses.

Under no circumstances shall other students or non-certificated personnel observe the administration of corporal punishment. The student shall be carefully advised of the nature of the rule infraction for which the punishment is being administered.

If a parent or legal guardian has requested that corporal punishment not be administered to the student, alternative discipline will be considered and may include suspension from school.

# CORPORAL PUNISHMENT (REGULATIONS)

Corporal punishment will be administered in accordance with board policy and the following regulations:

1. The determination as to whether to administer corporal punishment will be made by the principal, assistant principal, or designee after reviewing the student's records to determine whether parental permission exists to administer corporal punishment.

2. In each specific incidence, corporal punishment must be administered by the principal, teacher, or principal's designee. Corporal punishment administered by the teacher must be in the presence of the principal. The principal or assistant principal may administer the corporal punishment after conferring with the teacher. If the principal administers the punishment, it is recommended that the teacher who referred the student be one of the witnesses.

3. Before administering corporal punishment, the administrator must explain the nature of the offense to the student in the presence of the witness.

4. No unusual or cruel punishment may be administered. Striking any part of the student's head is strictly forbidden. Neither teacher nor principal may authorize students to inflict corporal punishment, even under the guise of a game.

5. All cases of corporal punishment will be recorded in writing with a copy mailed to the parent(s) or legal guardian and to the superintendent. The report must include the name of the witness.

6. Parents or guardians shall be contacted as soon as possible after the corporal punishment has been administered.

7. Corporal punishment shall not violate the law: A person having care or custody of child may not willfully cause or permit the child to suffer, inflict unjustifiable physical pain and mental suffering, cause or permit life or limb to be in danger, or place the child in a situation that causes danger to life or limb.
