For the purposes of this policy, corporal punishment is the use of physical force as a method of correcting student behavior. No person employed by or volunteering on behalf of the Adrian R-III School District shall administer corporal punishment or cause corporal punishment to be administered upon a student attending district schools.

A staff member may, however, use reasonable physical force against a student for the protection of the student or other persons or to protect property. Restraint of students in accordance with the district's policy on student seclusion and restraint is not a violation of this policy.
